Restructuring and Bankruptcy Services

When Selecting Experts, Experience Matters

Areas of Expertise

In today's tough economy, companies are facing serious issues that may require outside assistance with restructuring the business. This can happen before or during the bankruptcy process. Selecting advisors with the right experience and background is critical.

The professionals at HA&W have a wide range of experience assisting companies and their creditors with restructuring services in a variety of industries. Our team provides you with the information you need on a timely basis to make evaluations and informed decisions throughout the restructuring process.

Our clients value our industry expertise, thorough research to establish sound foundations for opinions, and the hands-on involvement of senior management. Our accounting expertise is complemented by significant "real world" experience as chief executive officers, chief operating officers, and chief financial officers.
